GAME CHANGER

ABOUT F.A.B.

At F.A.B., we're not just another organization – we're a passionate movement! We take pride in being a **BLACK-LED** not-for-profit that supports student athletes in the marginalized and underserved communities of the Greater Toronto Area. We identified a gap in the journey of athletes, particularly what unfolds for them after the cheers have faded and the final whistle has blown. Our goal is to bridge this gap by offering comprehensive and thoughtfully designed programs, financial resources and development opportunities that will empower athletes to actualize their end game. By partnering with schools, sports academies and community organizations, F.A.B has already changed the game for many young athletes!

F.A.B.'s founder is a former athlete from Toronto's rich and diverse Jane and Finch Community.

WITH VISION WE FLOURISH.

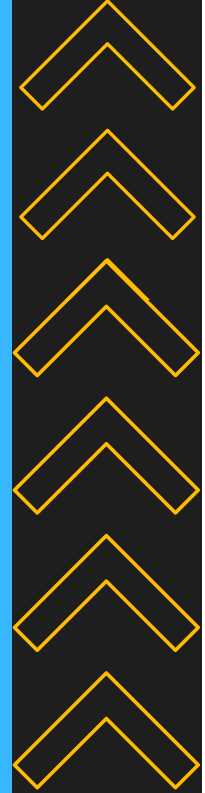

OUR MISSION

To equip and empower student athletes for life beyond their athletic pursuits.

OUR VISION

A future where every student athlete, regardless of socio-economic status, excels beyond their athletic aspirations. These athletes will challenge and redefine stereotypes of what success looks like for people from their communities.

WHAT MAKES F.A.B. DIFFERENT?

COMMUNITY: We believe in giving back to the communities that shape our participant's lives. F.A.B. engages with the community, fostering a sense of unity and social responsibility among our athletes.

ADAPTABILITY: We don't follow a one-size-fits-all approach. Instead, we tailor our program to meet the unique needs and aspirations of each participant. Whether it's adjusting curriculum, schedules, or resources, adaptability is at the core of our philosophy.

RESPECT: Creating a culture where every voice is heard and valued is important to us. Participants are treated with dignity and kindness, regardless of their background or circumstances. We believe that respect is the foundation upon which meaningful change is built.

EDUCATION: Life is more than textbooks and classrooms. We offer a dynamic experience that extends beyond traditional boundaries. Our program integrates real-world learning, practical skills, and innovative approaches to education, ensuring our participants are well-prepared for life's challenges.

EMPOWERMENT: Our program isn't about dictating what you should do; it's about empowering you to define and pursue your own path. We equip participants with the tools, knowledge, and confidence needed to take charge of their lives, make informed decisions, and become active change-makers in their communities.
